Flexibility
for creative workspaces

Straight nesting

Straight nesting for efficient storage; large casters for smooth and easy movement.

**Single motion
flip-up stowing**

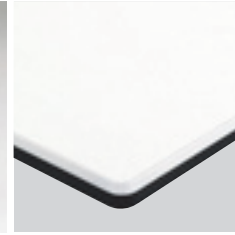

The single motion flip-up mechanism enables anyone to fold away with ease. The lever for folding is located on both sides so it can be folded from either the left or right.

Full view

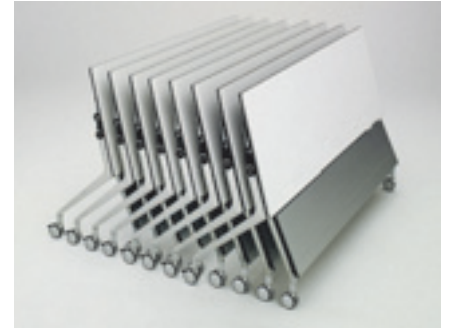

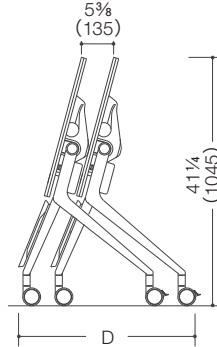

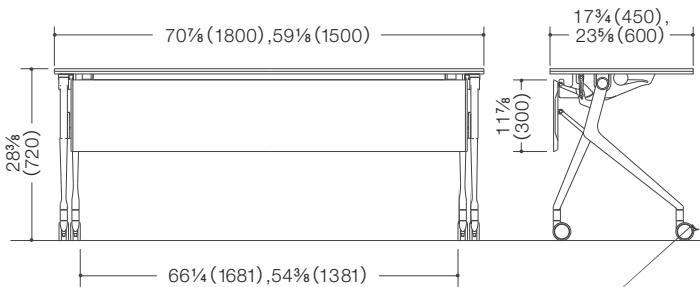

Level adjustable:
Casters are individually level adjustable within 0- $\frac{3}{8}$ inch (0-10mm) to allow for uneven floors.
